DOCKET NO.

ORDER GRANTING EXTENSION

This docket came before the Hearing Officer for consideration of the request for extension of time filed by BellSouth Telecommunications, Inc. ("BellSouth").

On November 8, 2001, ITC^DeltaCom filed a *Petition to Intervene*. The Hearing Officer issued a *Notice of Filing* on November 13, 2001 directing all parties to file a response, if any, to the Petition no later than 2:00 p.m., November 14, 2001. On November 13, 2001, BellSouth filed a letter asserting that it not yet received its service copy of the Petition and requested an extension until November 16, 2001 within which to file its response, if any. The Hearing Officer finds that good cause exists for the extension and, therefore, BellSouth's request should be granted.

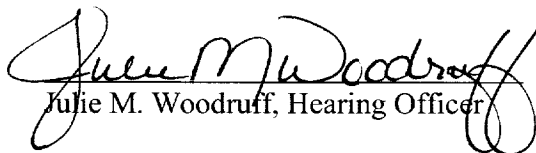

IT IS THEREFORE ORDERED:

Any party wishing to file a response to the *Petition to Intervene* filed by ITC^DeltaCom, Inc. shall do so no later than **2:00 p.m., Friday, November 16, 2001**. All responses shall be filed in the Office of the Executive Secretary and served on each of the parties via facsimile or hand-delivery.

ATTEST:

K. David Waddell, Executive Secretary

Julie M. Woodruff, Hearing Officer
